Amateur Radio Extra License Class 2020

The Franklin County Ohio Amateur Radio Emergency Service group will offer classes to achieve an Extra Class license. Classes will be held at the Whitehall Branch public library at 4445 E. Broad Street, Whitehall, OH.

You do not need to be a member of the FCOHARES to participate. . This is a no cost course of study. Classes begin January 2 through February 27, Thursdays from 6 to 8:30 PM. Your only cost may be for a study guide and testing fee, depending on which organization you choose to test with and which study guide you select.

Each student should acquire a study guide to begin familizartion with the material prior to starting the class. Although this is an advanced level technology course no advanced level math is involved. Some demonstrations will be presented during classes.

Pre registration is recommended. To register, send an email to John Buck at kd8rtp@arrl.net. Please include name, email address, phone/text number.

Technician and General level classes will also be offered as requested. Dates and times to be determined. Contact John Buck at kd8rtp@arrl.net.
