

The FCEMHS office in conjunction with the Franklin County ARES organization is hosting a Technician Class Wednesday evenings starting 5 June 2024 at 6pm. The classes will run for about 8 weeks each Weds. 6-9pm at the FCEMHS office at 5300 Strawberry Farms Blvd. Columbus. There will be a free testing session on the Saturday following the last class. Please share this information with anyone that is interested in getting their amateur radio license.

Please sign up at this link and send me an e-mail so I have your contact information.
